

# A BRIDGE BETWEEN EUROPE AND ASIA

[www.ithai.eu](http://www.ithai.eu)

## OUR FOCUS ON EXCELLENCE AND OUR CLIENTS HAS LED TO MANY ACCOLADES.

ITHAI helps Asia companies to come to make business in Italy and Europe. It's possibile with a group of experts in different fields: lawyers, accountants, business consultants, trade and business experts, marketing and digital marketing consultants.

# We are ITHAI

## *A boutique consulting firm*

ITHAI is a boutique consulting firm, specialized in the internationalization of SMEs. We help European companies to go into the Asian market and Asian companies to come to Europe. We make it possible with a group of expert in different fields: lawyers, accountants, business consultants, trade and business experts, marketing and digital marketing consultants.

## OUR FIRM.

---

We are a team of expert: lawyers, accountants, business and marketing consultants, trade and business experts

And all together we provide to our Costumers all the service they need to set up a company and develop their business around the world.

# ABOUT US

*A bridge between Europe and Asia. We are a corporate boutique with a nimble, flexible take on legal work. Our lawyers' cross-domain specialisations allow for seamless customised solutions for specific, unique client needs, solving complex briefs with precise strategy.*

## FRIENDLY APPROACH

Not only customers, but friends and partners. It's the way we support we work.

## EASY REACH

We are dislocated in Europe and Asia and we use all technology (wechat, skype, whatsapp) to keep always in touch with our clients.

## TRUE PROFESSIONALS

We are all professional certificated in our country, with international experience.

## QUALITY LAW CONSULTATION.

The law is a noble profession. It demands uncompromising standards of excellence without sacrificing the principles of integrity. This underpins everything we do. Don't expect us to provide one-size-fits-all solutions. We approach every client with a clean slate, investing time in understanding their business problems and needs before creating customised solutions. Our in-depth knowledge of how Europe and Asia thinks and works has, time and again, proven invaluable in getting the deal done. We're not bound by geography, however, frequently engaging on multi-jurisdictional transactions as well as with international counsel, and delivering on 24-hour turnaround demands.

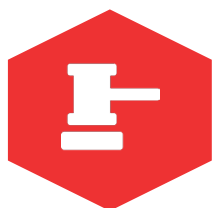

# THE RELATIONSHIP BETWEEN A PROFESSIONAL AND CLIENT IS THE KEY TO SUCCESS.

We believe in hiring the best, and for us a dynamic personality and partnership potential are as integral as much as professional excellence.

# OUR SERVICES

*We provide quality advice to assist you in your business around the world. Connecting clients to opportunities.*

## Legal Consulting

We provide legal business consulting to our clients. Commercial Law: Every kind of advice for small, medium and big companies. Set up new companies, negotiating contracts. Litigation and managing disputes. In the commercial law area, we draft and negotiate contracts in various languages

## IP and IT law

ITHAI has a great experience in IP. We should protect your brand, with copyright registration, trademarks, including registration and enforcement, licensing agreement and litigation. At the same time, our law and marketing department help your company to develop your brand.

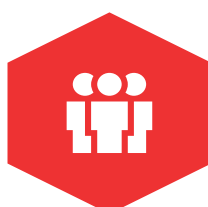

## Tax advice and financial consulting

ITHAI provides highly qualified financial and tax consulting services to start-up companies, running businesses and joint ventures of different industries to optimize their cash flow, financial efficiency and profitability.

## Business Consulting
